The main content area features a welcome message and a photograph of the school building. A sidebar on the right contains a paragraph about the school's history and mission. Advisory School Board

We are developing an advisory school board that will assist school administration in creating a vision, goals, and strategic development efforts that will allow OLL to bring the education of *mind, heart & spirit* to the leaders of tomorrow.

The board will consist of several committees; Marketing, Recruitment and Development. With the assistance of the board, OLL will reaffirm its commitment to providing the students entrusted in our care with the highest quality education and with the strong spiritual foundation necessary in building bright futures.

THANK YOU...

to all of our friends in the OLL community whose gracious gifts have helped us pass on a solid Catholic education to every student at OLL during the 07-08 academic year. Your generosity is a blessing for which we are truly grateful.
